Not urgent, but question for you. Do you know if there's ever been or if there's been talk of organizing official business detegatfons for S trip! abroad? Not to trowel on the plane with her, but to coincide with her trip schedule and to participate in appropriate events during trips. Marc Lasry mentioned that he would be very interested in helping with that if that's something we would want to do.

Honorable Hillary Clinton
Secretary of State
United States Department of State

Dear Madam Secretary,

We welcome your appointment as Secretary of State and wish to express our congratulations. Your Korean American supporters are excited about your stated interest in changing the direction of U.S. policy and "repairing damage" overseas.

We understand you will be embarking on a tour of Asia in the coming weeks. As such, there are many of us who would like to host a reception in Korea to welcome you and honor your achievements. We want to be able to demonstrate to the Korean people our pride and confidence in you, our new Secretary of State, as well as demonstrate to you the hospitality and warmth of the Korean people.

We know your time on our peninsula will be limited and is likely in great demand. Many of us hope to be able to show you our continuing support, this time in our home country. Please let us know if this is a possibility.

Thanks and Regards,

John Y. Park

Madame Secretary,

After two years of tenure, I am writing to communicate my continuing support for your work as Secretary of State. You have demonstrated incredible poise, patience, and endurance in your pursuit of diplomatic solutions to conflicts around the world. Most recently, your nuanced handling of the situation in Libya continues to impress. I still remember the excitement we all felt for you on the campaign trail, and I am still amazed every day with your accomplishments. I am sure the best is yet to come.

On behalf of myself, and many others in the Korean American community, thank you for your service.

I am also writing to inform you that my son, Charles, has recently started working as a Foreign Service Officer. Charles is currently training at the Foreign Service Institute. He will be leaving for the consulate in Ciudad Juarez this August, and is thrilled to be working for the Department of State under your direction.

Sincerely, John Y. Park

Huma, Two quick things:

- (1) Just a heads up that Gokhan Oikok will be attending the holiday reception today (but will not be in the Monroe Room, unless you would like him to be).
- (2) As a reminder, we will do a quick photo with the President and Executive Director of the Una Chapman Cox Foundation in the Monroe Room later this afternoon. The *Foundation* works with the Department of State and non-government agencies in supporting the Foreign Service (PS) to implement a variety of projects. They have consistently funded numerous State Dept programs, initiatives, and events - most recently, the Unaccompanied Tour Holiday Reception. The 4 attendees are:
Dian Owen VanDeMark (President)
Thomas R. Hartman (friend)
Clyde D. Taylor (Exec Director)
Virginia L. Taylor (spouse)

Huma, the President and Executive Director of the Una Chapman Cox Foundation ate attending the holiday reception on Monday. They have been incredibly supportive, and generous to many State Department causes that benefit FSOs and their families - they recently helped fund part of the Unaccompanied TOUI holiday reception. Can we do a quick photo for them w HRC in the Monroe Room on her way into the Ben Franklin, similar to today?
